5 September 1963

MEMORANDUM FOR: DD/S&T

1. On Wednesday, 4 September, the DCI started some actions to analyze the status of our satellite collection efforts. There are two separate but related actions involved, as the attached papers indicate.

25X1A

(a) He directed nine questions to [REDACTED] which have been farmed out to the appropriate individuals, as indicated on the attached note.

25X1A

(b) [REDACTED] is chairing a panel to look into the broader subject and OSI is well represented. They are preparing a charter and modus operandi of their panel which should be available soon.

25X1A

[REDACTED]  
Edward B. Giller
